Dear *Sir/Madam:*

Respectfully, we are submitting this letter of justification for the late filing or submission of the Statements Liabilities and Networth (SALN) for the calendar year ending December 31, 2025. Several of our faculty members were on official study leave abroad. Due to geographical distance, limited access to required documents, and time zone differences, the faculty members were unable to complete and notarize the SALN within the April 30, 2026 deadline prescribed under CSC Resolution No.1300455 and RA 6713, otherwise known as the Code of Conduct and Ethical Standards for Public Officials and Employees.

We acknowledge the importance of timely SALN submissions and the Ombudsman's mandate. This delay was due to circumstances beyond the faculty member's control and without intent to violate any rule. We assure you that measures have been put in place to remind all personnel on study leave/travel abroad to coordinate submission without prejudice or penalty.

Thank you.

Truly yours,
