Academic Programs

28

- **Degree Programs revised** (UC and UP President Level approval)
- more than 300 new courses instituted; more than 400 revised

2

- **new MS Degree Programs** adopted and implemented
- MS Environmental Science (UPVTC) MS Food Science (SOTECH)

2

- GE courses reconfigured

Quality Assurance of degree programs

100%

- (all degree granting units) Internal Academic Assessment Development System (IAADS) compliant

27

- degree programs with Self Assessment Report (in various stages of completion) and for external assessment

Strengthen research agenda

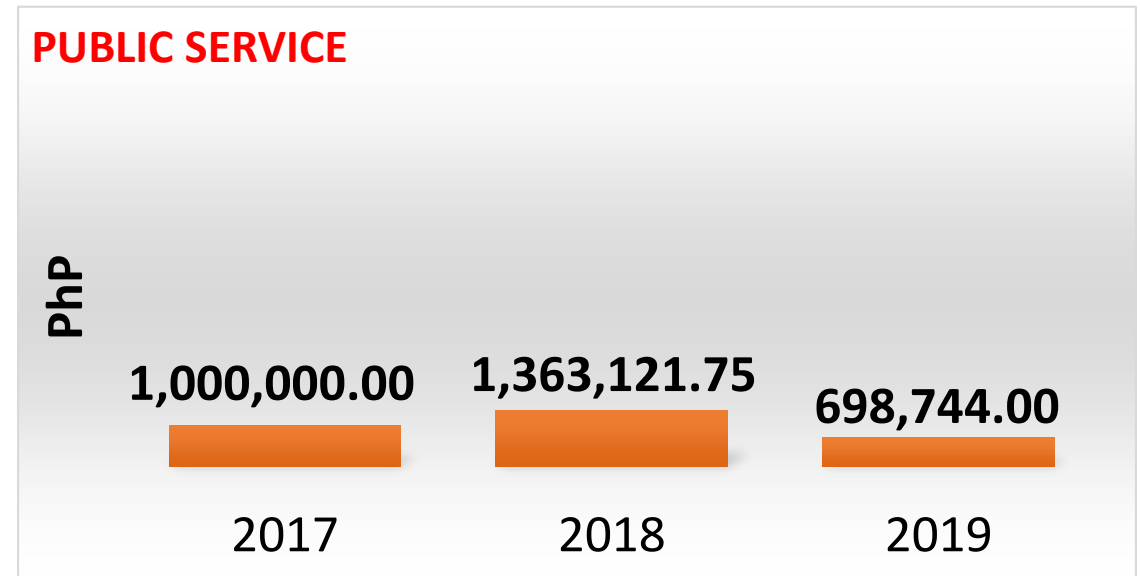

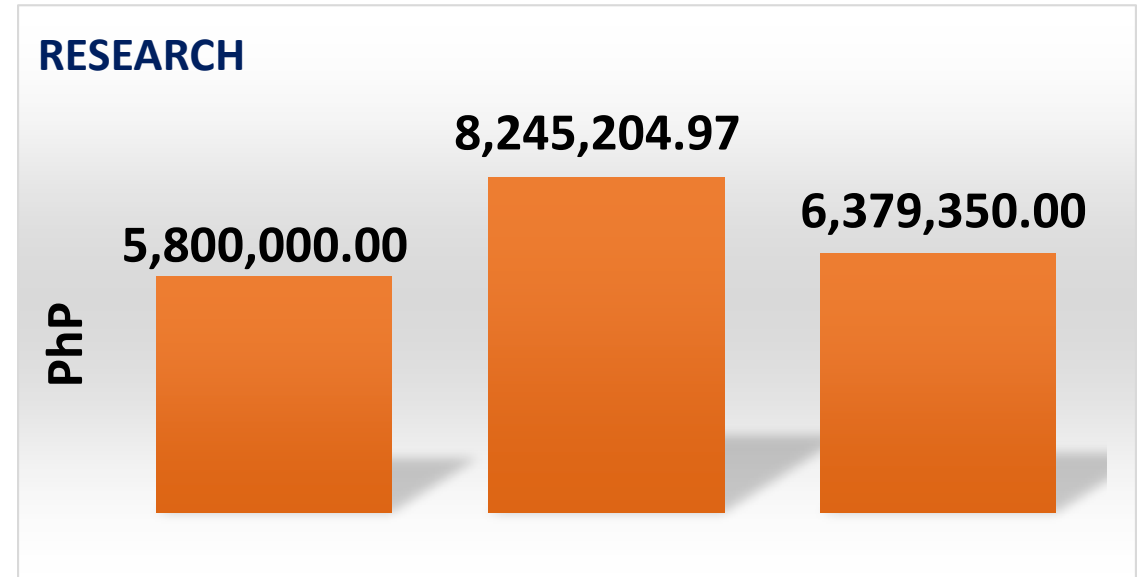

Research and Public Service

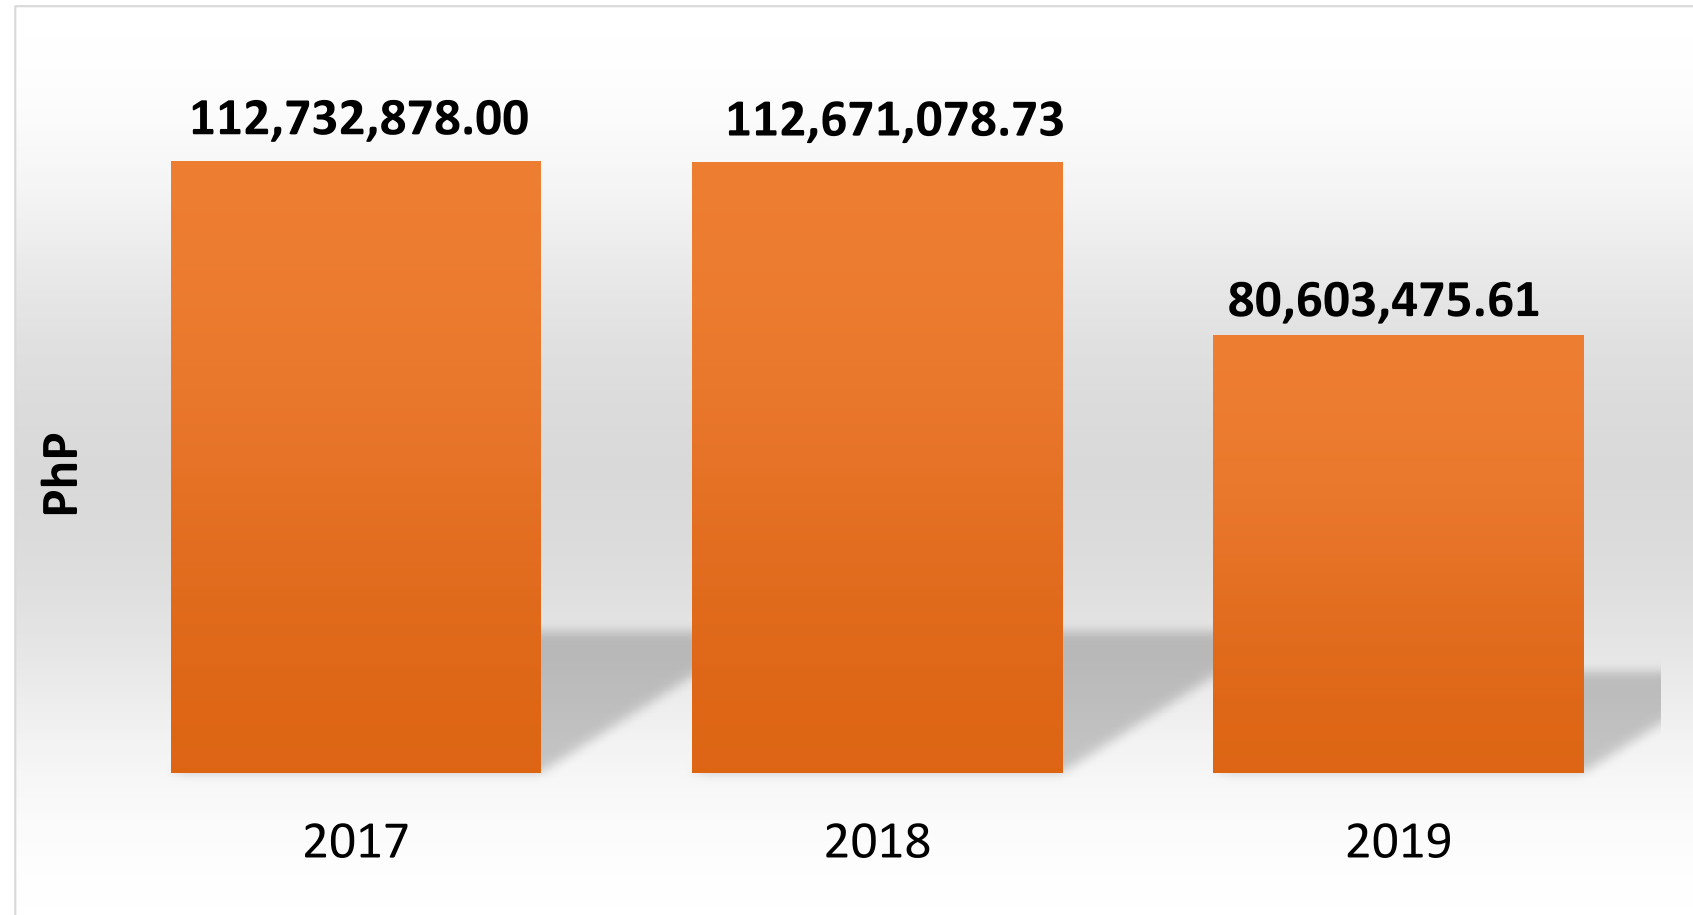

PhP 14,500,000.00

Annual budget for research and public service activities (2017-2020)

RCWPPS fund also supports publication grant, student grant, research-related activities and OVCRE-initiated programs and activities

Research Income

DOST NICER: Mollusk Center for Research and Development

DOST granted the first of several Niche Centers in the Region for Research and Development (NICER) to UPV as the Center for Mollusks Research, Development and Extension. The first workshop on Roadmapping of Research and Development and Commercialization Initiatives for Mollusks was held on January 7-10, 2019, covering topics on the current state of mollusk industry and research in the Philippines. Its goal is to promulgate the importance of mollusks in the country and to jumpstart research that will potentially develop the mollusk industry.

ILOILO CONVENTION
CENTER

Asian Fisheries and Aquaculture Forum

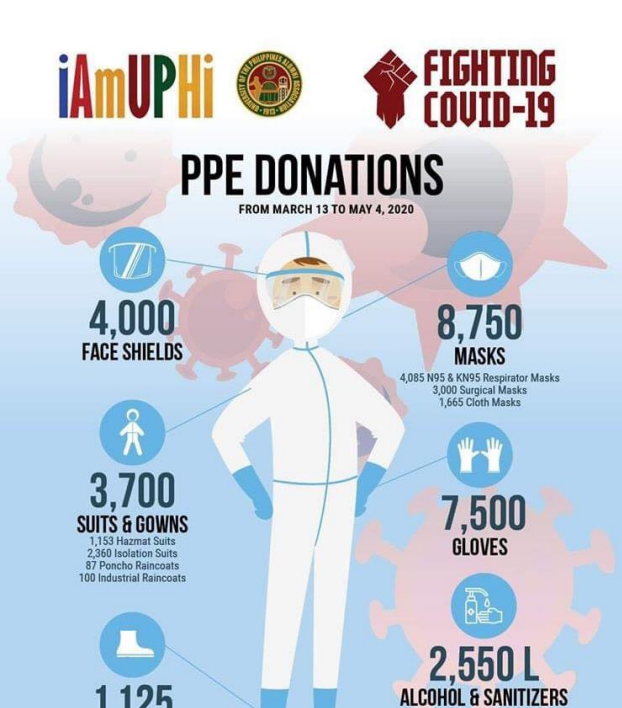

The 12th Asian Fisheries and Aquaculture Forum (AFAF) was held at the Iloilo Convention Center last April 8-12, 2019. The event gathered fisheries scientists from 21 countries.

Enhance Public Service/Engagements

Policy Note No. 2

03 May 2020

PUBLIC HEALTH DATA ANALYSIS AND RECOMMENDATIONS FOR COVID-19 IN WESTERN VISAYAS AS OF 30 APRIL 2020*

Helena Marie Lagon Alvior, MD¹, Mary Camille Samson, RMT¹, Joseph Arbizo, RMT, MoS², and Philip Ian Padilla, MD, PhD²

¹ ThinkWell Philippines, Iloilo City

² University of the Philippines Visayas, Miagao, Iloilo

*Based on the data available on 30 April 2020.

I. CURRENT COVID-19 SITUATION IN WESTERN VISAYAS

Extension of enhanced community quarantine in Bacolod City, Iloilo City, and the Province of Iloilo is imposed until May 15, 2020 while other provinces (Aklan, Antique, Guimaras, Capiz, Negros Occidental) in the region are placed under general community quarantine. Decision for the lifting of ECQ in selected provinces are supported by IATF-EID Resolution No. 30 and was announced by Presidential Spokesperson Harry Roque in a press briefing last April 30, 2020.

COVID-19 Pandemic UPV Community Initiatives
